## WORK EXPERIENCE AND PROJECTS (2022 - 2026)

### FREELANCE PROJECT (2022 - 2026)

**Helms and White** |Year 2026| https://helmsandwhite.com.au/

- Built a WordPress dental website showcasing treatments, dentists, and payment options, with clear calls to action that drive appointment bookings.

**Dilleen Dental Website** |September| https://dilleendental.com.au/

- Developed a WordPress dental website presenting services, the team, and online booking, helping local patients book appointments with ease.

**Library Management System** |Year 2025

- School desktop application for managing book records, borrowing transactions, and student accounts — integrated with Google API for extended functionality.

### Worldcity Real Estate Corp. (2026)

**Fullstack Developer** (Solo IT Intern) | **World City Real Estate Ph** |2026 |https://worldcityrealestate.ph/

- Developed a real estate platform with React and Supabase, featuring property listings and client records that help local buyers browse and inquire about properties.

**Fullstack Developer** (Solo IT Intern ) |**Worldcity Real Estate Dubai** | https://worldcityrealestate.com/

- Built a Dubai property listing platform with React, Node.js, and Supabase, featuring property browsing and inquiry forms that connect international buyers with agents.

**Fullstack Developer** | **Rent Car** | Aug 2026 | https://car-rental-eight-lime.vercel.app/

- Developed a car rental platform with PHP and MySQL, featuring vehicle listings and online booking that let customers reserve cars without calling or visiting.
